

DISTRICT COURT (SECOND DISTRICT : WEBER COUNTY) [1687]

CIVIL JUDGMENT RECORD BOOKS, 1878-1981

82 microfilm reels

DESCRIPTION: This series contains the judgment record and summarized information about individual civil cases processed and filed in the Second District Court. These records function as an abstracted reference source documenting the final judgment of the court in civil cases. Besides the case summary each judgment record also includes the following: the district court title, date when the judgment was rendered, the filing of any abstract of judgement, date of execution, who performed the execution, satisfied and unsatisfied executions, which party won the case, and the amount of the final award. Perhaps most importantly these volumes contain the names of the parties involved in each individual case and the successful plaintiff or defendant. Some overlaps in dates occur since the court clerk entered the names of parties before the final judgment had been handed down.

ARRANGEMENT: Chronological by date filed with the court clerk.

RESEARCH NOTE: To access judgments a patron will need to look in the DOCKET BOOKS and their appropriate surname indices. The docket books refer the patron to the page and book number where the judgment has been recorded. The archives has also produced a publication called "searching court records" which may assist in research related to the Utah court system.

RELATED RECORDS: Series #6659, CIVIL CASE FILES, contain the entire case file mentioned in the judgments. The case number and date filed, which allow access to most other court series, are assigned in the JUDGMENT DOCKETS, Series 5333, and also include the book and page number for the corresponding judgment record. Series #10214,

ABSTRACTS OF JUDGMENT BOOKS, include information on those cases which, due to unsatisfied judgments, result in liens, garnishments, and further action by the court. Series #5062, MINUTES, contain the court minutes of the cases in this series.

CUSTODY HISTORY: The Judgment Books were maintained for the court by the Weber County Clerk.

PROCESSING NOTE: This is a continuing series with the bulk of the series transferred to the Utah State Archives June 25, 1963. Judgment records since 1982 have had a permanent retention. It was decided to change the format of the judgment books to microfilm due to preservation problems with the original format (water damage, excessive dirt, brittle paper, and broken bindings) and the fact that the records themselves have no intrinsic value. This series was processed in 1994 by Kenneth R. Williams. Microfilming was completed previously in August of 1967.

GAPS IN THE SERIES: Books 101-106 and 108 are missing.
